To: ALL THE GOVERNMENT LEADERS OF ALL THE COUNTRIES OF THE WORLD

To Whom This May Concern:

I was directed by the Founder / World Chairman of the **H. MARTIN FOUNDATION Far East Humanitarian Services** (HMF), Abba Martin Eddy Hornido Tirwatadinata, to work on now with his global collateral assets and place these assets in an **“Investment Infrastructure”** where 100% of the interest and profits will be utilized to **fight poverty and other social problems**, through the FUNDING of humanitarian programs and projects globally.

IN THE EVENT OF A GLOBAL FINANCIAL COLLAPSE, the H. MARTIN FOUNDATION’s physical assets (Gold, platinum, diamonds, precious gemstones, etc.) are ready to back up any monetary system in the world. WE CAN DELIVER!!!

GOD has also given to me the **SOLUTION**: An **“Investment Infrastructure”** to fight poverty and other social problems, which will start up a **UNIVERSAL / GLOBAL BANKING PROGRAM** that will involve the different Government Leaders and Countries of the World, where Mr. Martin Eddy Hornido Tirwatadinata has his assets. **The H. MARTIN FOUNDATION’S GLOBAL HUMANITARIAN PROGRAM** when implemented with the backing of the funds generated in this **“Investment Infrastructure”**, in collaboration with each and every Government will **“REVOLUTIONIZE”** the economy of each and every country and **“SAVE”** the Global Economy from **TOTAL COLLAPSE**.

The **H. MARTIN FOUNDATION Far East Humanitarian Services** represented **ONLY** by the undersigned and Mr. Martin Eddy Hornido Tirwatadinata, would like to collaborate with each and every Government in the establishment of the **H. MARTIN FOUNDATION Far East Humanitarian Services (plus (+) the name of the country)** in your country, to become the beneficiary of Mr. Martin Eddy Hornido Tirwatadinata’s principal/collateral assets within the country. Once the **H. MARTIN FOUNDATION Far East Humanitarian Services (plus (+) the name of the country)** is established in the country, Abba Martin Eddy Hornido Tirwatadinata will confirm the people of the country as the beneficiary of all the “generated interest and profits”, that will flow through the FUNDING of humanitarian programs and projects in the country, by the **H. MARTIN FOUNDATION Far East Humanitarian Services plus (+) the name of the country**.

To separate the **“principal assets”** of the Founder (which flows through the **World Bank** and **IMF**) from the **“generated interest and profits”** derived from this **“Investment Infrastructure / Program”**, the **“generated interest and profits”** will be centralized using the **BRICS NEW DEVELOPMENT BANK**, which goals has to align also with the H. MARTIN FOUNDATION’S Vision and Mission (to be discussed in the collaboration).

The **H. MARTIN FOUNDATION Far East Humanitarian Services** (HMF) is now very much organized and ready with the following:

A. **GLOBAL HUMANITARIAN PROGRAM & HMF ASSETS INVESTMENT PROGRAM**

- The **PROGRAM** how we are going to operate globally;
- The **STRUCTURE** how assets of this great magnitude will be invested / spent;
- The **proposed avenue to dispense the funds globally** to enforce honesty and transparency so it will reach the recipients.

B. **MODEL PROJECTS**

- To be implemented in each and every community, city, state and country which will **provide services** and **create jobs essentially in every field**.

These **PROGRAMS** and **MODEL PROJECTS** are now ready for presentation to the Government of the Republic of the United States of America and Governments of all the countries of the world, to materialize the HMF Program/Vision globally with the help of the human resources and advance technology of all the countries of the world.

C. **PEOPLE / LEADERS**

- The **PROJECT LEADERS (Health, Education, Housing, Livelihood, Ecology, Strategic, Research and Development, etc.)** who will help convey the Vision and lead in the implementation of the different humanitarian programs and projects are now lined up and connected with the H. MARTIN FOUNDATION Far East Humanitarian Services.

In collaboration with the National / State and Local Government, the leaders of existing Charitable Organizations, Foundations and Humanitarian Agencies can be summoned and group together to help create a “**complete model project**” in every area of the different fields of humanitarian. Once the “**complete model projects**” are achieved, these can simultaneously be implemented, because many of these organizations are already established in different countries. Starting with the HMF “MODEL PROJECT”: **The H. MARTIN Global Community Center plus (+) the name of the city or community**, we can house the different humanitarian agencies that will help in the implementation in one site of each and every city or community. This applies to all the countries worldwide.

The different **PROGRAMS** and **PROJECTS** once FUNDED by HMF and implemented by collaborating government and humanitarian agencies, will provide services and create the very much needed jobs all over the world. Everyone involved in the implementation will receive honorarium / salary with complete benefits. All the humanitarian services that will be provided such as Free Childcare and After School Programs, Complete Scholarship Programs, etc., will become part of the benefits of the people working on the projects. (Go to www.hmartinfoundation.org HMGCC/YouTube) This will help uplift the standard of living of individuals, children and families and boost the economy of each and of every country thereby fulfilling the Founder’s Vision, “Life in Its Fullness” for all the people of the world.

COLLABORATION is very important with each and every Government (National / State & Local Government) and existing Charitable Organizations, Foundations and Humanitarian Agencies 1) to have uniformity of programs and projects to be implemented; 2) to standardize the process to hasten the implementation of programs and projects; and most importantly 3) to streamline the FUNDING process.

*(The H. MARTIN FOUNDATION’s assets are great in magnitude. The Founder lodged his and some of the kingdoms assets in the countries that lost the war. **He made and “Irrevocable Confidentiality Agreement” with all his banks (except with his banks in Indonesia) that no one should ever know who own such funds.** You can just imagine how these assets propagated in thousands of banks and build the different countries of the world because this happened before Trading even began between the United States of America and Japan. The assets in Japan was used to build Caterpillars, Honda Sedan, Toyota Land Cruisers etc., and many appliances you can find in many homes, etc. etc. When I went to Switzerland on July 14, 1997, **I presented the bankers connected with the US Treasury and a banker mandated by Federal Reserve, two account numbers with Toronto Dominion Bank Canada and told them there’s (2) two billion and (4) four billion US Dollars respectively.** The bankers created a document with the account numbers, which they made me sign. I did not know that it was immediately fax to Federal Reserve New York. The bankers told me the history after their verification. They said, “... they were told to watch out for me closely because if the accounts were not real, I will be put in jail.” The bankers told me, the account numbers I gave were newly opened accounts, two weeks before I went to Switzerland. The funds transferred originated from the King of Indonesia, Abba Martin Eddy Hornido Tirwadinata, is the sole signatory and the H. MARTIN FOUNDATION, is the beneficiary) I was told by the bankers that the US Federal Reserve mentioned **H. MARTIN FOUNDATION has NO CASH. HMF was required to start with our own to get in the Program** (Trading Program / Roll-Over Program / High Yield Investment Program now currently called Private Placement Program, where H. MARTIN FOUNDATION committed 100% of profits for humanitarian.) H. MARTIN FOUNDATION must have its own platform **because putting all the assets of the Traders combined, H. MARTIN FOUNDATION’s assets is still the biggest.** It is only through an Executive Order of a President of the United States that money can be printed against the H.*

MARTIN FOUNDATION's assets because of its magnitude. When I came back from Switzerland to United States, a "Command Performance" was done (to me and the Founder to find out if he is the real owner of the funds) by two Federal Reserve officers from New York together with the Chairman of Swiss Bank Corporation in Basel Switzerland and the bankers. IF the Founder connected with me is NOT the real owner of the funds and IF we are NOT able to perform, I will be deported out of United States back to the Philippines. I'm still presently living here in Los Angeles, California.

After eighteen years of working full-time on the H. MARTIN FOUNDATION without salary, I have incurred almost two million US dollars combined personal loans and participation by HMF volunteers. These personal loans and "voluntary participations" by the HMF volunteers in the form of Time, Talent & Treasure are very much documented. These help materialized the Visions GOD has given us in the form of: TEMPORARY/VIRTUAL OFFICES since 2004 to the present; HMF HUMANITARIAN PROFILE BOOKS that depicts how HMF is going to operate globally, HMF Doctrine, HMF Constitution and By-Laws, etc.; BOOKS on The Proposed HUMANITARIAN COLLABORATIVE AGREEMENTS (HCA) for participating organizations and different governments, etc.; VIDEOS and BROCHURES to introduce HMF; VIDEOS and BROCHURES of Roadmaps to Participation by Collaborating Organizations and the different Governments; VIDEOS of different PROGRAMS and PROJECTS to be implemented globally; FOLDERS, LETTERHEADS, CALLING CARDS and thousands of LETTERS & POSTAGE to bring awareness of HMF's Programs and existence; different INVITATIONS, PROGRAMS, STREAMERS, FOOD & DRINKS to serve whenever we do HMF PRESENTATIONS to introduce HMF, to prepare the projects and find our co-leaders in the different cities here in California (2004-2013), Korea (2001-2004) and the Philippines (1996-2009).

All of the things I mentioned above are in preparation for the COLLABORATION by the H. MARTIN FOUNDATION Far East Humanitarian Services with the Government of the Republic of the United States of America and Government of all the countries of the world. The H. MARTIN FOUNDATION is a Spiritual Program being materialized, hence there is a Paradigm shift. It is a joint project between GOD and man(Relationship with GOD through prayer while we work / "Ora Et Labora" to seek the greatest Source of Knowledge). Each one's participation is essential for its success. Desire for positive change and for the betterment of our world is the key.

The setting up of the H. MARTIN FOUNDATION Far East Humanitarian Services in each and every country is a "clarion call" to all the Country Leaders and many other leaders in position who desire to be the instruments of changing the negative plans for the destiny of this planet. WE CANNOT ALLOW THE NEGATIVE AGENDA FOR THE EXTINCTION OF OUR WORLD TO COME TO COMPLETION. IF GOD IS FOR US, WHO CAN BE AGAINSTS US?

IN THE EVENT OF A GLOBAL FINANCIAL COLLAPSE, the H. MARTIN FOUNDATION Far East Humanitarian Services is ready with the PROGRAM, PROJECTS and PEOPLE (to include all the people of the world). With the assets of the H. MARTIN FOUNDATION (mountains full of physical gold and gold in the banks, platinum, barrels & barrels of diamonds, gem stones etc., as well as significant depository assets worldwide / global collateral accounts) to back-up the PROGRAM, PROJECTS and PEOPLE, the H. MARTIN FOUNDATION Far East Humanitarian Services is READY, WILLING AND ABLE to SUPPORT THE RESTORATION of the REPUBLIC OF THE UNITED STATES OF AMERICA and ALL THE OTHER COUNTRIES OF THE WORLD, to keep and preserve its sovereignty, attain world peace and prosperity for the current and future generations to come.

Sincerely yours,

Ms. Flor L. Villapando
Vice-World Chairman, Treasurer
& Controlling Officer, HMF-USA.
