TRUTH AND CHANCE TO SAVE AMERICA

This is an open letter to all the people of the United States of America and all the people of the world, to include all the bankers of Mr. Martin Eddy Hornido Tirwatadinata, inside and outside of the United States of America.

My name is Flor Lat Villapando, the Vice World Chairman, Treasurer and Controlling Officer of all generated assets and activities of the H. MARTIN FOUNDATION Far East Humanitarian Services.

The H. MARTIN FOUNDATION Far East Humanitarian Services represented by the undersigned, submitted in 1999 a copy of a book of the H. MARTIN FOUNDATION Far East Humanitarian Services to Mr. Lawrence Summers, the Secretary of the US Department of the Treasury. I would like to address this to Mr. Peter R. Morgan and all the bankers of Mr. Martin Eddy Hornido Tirwatadinata, to clarify the statement in the book which is on a letterhead **H. MARTIN FOUNDATION Far East Humanitarian Services – USA** : **“Assistance in recovering the assets of H.M.F. worldwide** (Please refer to HMF Doctrine no. 5. *“The funding of the Foundation’s projects shall be self-generated from its own Principal fund, **which shall not be withdrawn from**, and rather shall remain as perpetual deposit in the world’s banking system. This shall be done through a separate Trust Fund, the “H. Martin Trust”, which the Foundation shall organize and shall be the recipient of perpetual funding from the Foundation in the form of endowment, managed in a very harmonious manner, to generate everlasting funding for the Foundation’s projects worldwide.”), **to be lodged in the United States of America and place as perpetual capital in the Federal Reserve Program. One hundred percent of the profits will be used to fund in perpetuity humanitarian projects in 186 countries.** Mr. Martin Eddy Hornido Tirwatadinata and I would like to clarify **SUCH STATEMENT** (underlined in blue) **THAT IT WILL ONLY TAKE INTO EFFECT AFTER THE H. MARTIN FOUNDATION Far East Humanitarian Services USA. HAS BEEN ESTABLISHED.** There must be a **COLLABORATION** first between the H. MARTIN FOUNDATION Far East Humanitarian Services and the **Government of the United States of America** to establish the **H. MARTIN FOUNDATION Far East Humanitarian Services USA.**, which is going to be the International Main Headquarters of the H. MARTIN FOUNDATION Far East Humanitarian Services branches worldwide.*

I decided to break my silence because I am concerned for the future of America and the people who right now are struggling to make both ends meet, especially those that were affected by Sandy storm. I would like to bring out the truth about the H. MARTIN FOUNDATION Far East Humanitarian Services. It is well known and documented that the United States of America is fast approaching a situation that has been termed the “Fiscal Cliff”. What the H. MARTIN FOUNDATION is offering is the **SOLUTION** to the many problems the United States government and the people of America is facing. **THE H. MARTIN FOUNDATION HAS OFFERED TO PAY-OFF IN FULL, THE DEBTS OWED BY THE GOVERNMENT OF THE UNITED STATES OF AMERICA, WITH THE ONLY STIPULATION BEING THAT THE GOVERNMENT ASSIST US WITH OUR HUMANITARIAN GOALS.** Please read our **LETTERS** in the H. MARTIN FOUNDATION website www.hmartinfoundation.org

The H. MARTIN FOUNDATION Far East Humanitarian Services has physical assets of great magnitude as well as significant depository assets in the different banks and countries of the world very much recognized by various governments, including the current and the previous administrations here in the United States. The H. MARTIN FOUNDATION would like to **FUND** various projects that will **provide services and create jobs** for the people of America, in collaboration with the Government of the United States. The first three projects the Founder has approved to be **funded** are: **Free Childcare and Before/After School Programs, Complete Scholarship Programs and Disaster Relief and Community Development Network.** These projects when **FUNDED** by the H. MARTIN FOUNDATION **and implemented** in conjunction with the US government from national or federal government together with state and local government and existing charitable organizations **will create the very much needed jobs** here in America. There will be jobs created at every level of service including all previous government officials who can serve in the HMF Advisory Board and Supervisory Board of the state and city they used to served, even jobs for our men and women in uniforms. **Everyone involved will receive a respectable salary/honorarium with complete benefits.** For more information please visit our website: www.hmartinfoundation.org.

The Leaders of the Democratic Party are well aware of the assets of the H. MARTIN FOUNDATION Far East Humanitarian Services. In fact, the reason we have a surplus in 2000 during President Clinton's administration is not because of the policies put into place by the Democrats. Even the greatest minds enacting the most fiscally responsible economic policies cannot make such a surplus appear overnight, after a big deficit. An additional 5.6Trillion, which is more than half of the total 9Trillion US dollars printed and circulating our global economy. Again, that was NOT because of the good policies of the Democrats. The reason we have the 5.6T surplus was due to the generosity of the Founder of the H. MARTIN FOUNDATION Abba Martin Eddy Hornido Tirwatadinata, when he brought out a small part of his assets in 2000, after signing an agreement to place these assets in an investment program which will generate profits to fund projects of the United Nations Environmental Program. Originally, those funds were meant to support the United Nations Environmental Program but had been redirected by President Clinton to aid the domestic economy. Though not used as intended, I was happy that the funds were redirected to the US economy and feel that it better benefited our shared goals. It was that financial move that help the United States avoid a looming depression. At that time, I can say "I wasn't ready yet" with the Global Program of the H. MARTIN FOUNDATION Far East Humanitarian Services.

Now please don't blame President George W. Bush or the Republicans if the surplus got depleted. President George W. Bush is left with no choice. It is not his fault or the Republicans policies. If I'm on his shoes, I will probably do the same to stay alive. I am neither a Republican nor a Democrat because I'm still a Filipino citizen, but I came to admire this President upon knowing the truth of what's really going on here in America. Whoever sits in the White House as President of the United States has an unimaginably difficult job. I believe President Obama really has the desires to bring about positive change not only to this great nation, but to the world. Unfortunately, I believed that he got tethered to the purse strings of others, making his job more difficult. The intentions of the H. MARTIN FOUNDATION would give him the financial freedom to cut the strings and act righteously in alignment with the Vision and Mission of the H. MARTIN FOUNDATION. **Currently, the H. MARTIN FOUNDATION Far East Humanitarian Services is much more organized and very much ready for collaboration with the Government of the United States of America.**

Let me cite some important facts which I believe many of the people among the grassroots are still NOT aware of. The welfare system becomes more active as a result of unemployment costing taxpayers more than one trillion a year. This will

continue to go up when companies continue to lay-off people, when companies are forced to close down because of UNIONS, when people end up living on credit cards ending up in bankruptcy, when the government continue to spend through stimulus plans and yet **LESS JOBS ARE CREATED**. Unemployment causes people to become dependent on the government, on our welfare system. On the part of the people, they go on welfare to sustain to make both ends meet because **there's no job to find**. The people are of course thankful that the President loosens up the requirements to receive welfare, time was extended to receive unemployment benefits, retirement package was improved to help families by extending the benefits to the children, etc.. The Republicans are of course concerned because the more the government spends, the more the United States become indebted and currently, the United States government is spending more for welfare than for the national security of our country. **IN THE EVENT OF A GLOBAL FINANCIAL COLLAPSE, THE VALUE OF US DOLLARS WILL PLUMMET. THE CONSEQUENCES IF WE CONTINUE TO REMAIN IN THIS CURRENT SITUATION, WILL BE CATASTROPHIC AND IT IS GOING TO BE WORST THAN THE FIRST AMERICAN DEPRESSION.**

I encourage everybody to understand and have a keen sense of awareness of what is happening around you and where our current economic situation is headed. Think about these . . . the looming fiscal cliff. . . the impending global financial collapse which has been announced for many years will be a domino effect. **It will be very catastrophic if more people are dependent on the government for the food they eat and suddenly comes to a HALT.** Let's pause for a moment and imagine what can happen. . . . **THERE WILL BE CIVIL UNREST.**

CIVIL UNREST WILL BE INEVITABLE. A 21st CENTURY, MODERN GLOBAL HOLOCAUST BECAUSE THE CONCENTRATION CAMPS AND MASS GRAVEYARDS ARE ALREADY IN PLACED IF THERE WILL BE CIVIL UNREST AS I HAVE READ IN A CIA REPORT. BOXCARS WITH SHACKLES are sighted in the mountains of many states ready to transport people in the concentration camps built in the dessert. These stories are also now circulating among the grassroots. **THE PEOPLE ARE BEING DISARMED SO THEY WON'T HAVE THE CHANCE TO REVOLT AND DEFEND THEMSELVES.** For so long, illegal aliens (NOT the Spanish speaking people who tried to cross the border to seek greener pasture) are deliberately being made to enter the borders without restrictions. **The media is being mum about many things. Our government officials are debating over many issues, but can't bring out the whole truth. These illegal aliens when paid and given high-powered guns and uniforms to wear, won't hesitate to kill Americans and put them in concentration camps WHEN CIVIL UNREST HAPPENS.** Some government leaders, even the police force or government agencies in position may be used to do these in the event of a **CIVIL UNREST.** It's either they are **THREATENED AND BLACKMAILED OR BRIBED BY THE ENEMY OF AMERICA THAT IS WITHIN THE SYSTEM** and they will say "it is an order from the top". **Please don't listen to some media who LIED to their bones because they are paid well to carry out an agenda.** I wonder what those people will do if members of their families, parents and relatives goes into those concentration camps. I doubt if they will still be able to enjoy the money they get, if what is happening now in the Middle East happens to America because these few people and government officials sold the truth for a few gold beads costing in the end the sovereignty of this great nation.

I heard in the news that somebody said, "...if President Obama gets re-elected, he will give the sovereignty of America to United Nations." Let me say this, in reality, **ANY President in position WILL BE FORCED to give the sovereignty of America to United Nations, IF THE ABOVE SITUATION IS NOT PREVENTED.** The big question is, **DOES UNITED NATIONS OR ANY ENTITY FOR THAT MATTER, HAVE THE FINANCIAL CAPABILITY TO SHOULDER AND SOLVE THE GLOBAL FINANCIAL PROBLEMS BY THEN?** Even **CHANGING THE**

MONETARY SYSTEM by any faction is NOT THE ANSWER, especially if they DO NOT HAVE the HUMANITARIAN GLOBAL PROGRAM and the FINANCIAL CAPABILITY tantamount to that of the H. MARTIN FOUNDATION Far East Humanitarian Services, which are already in position in more than 100 countries to back-up the Global Program. (The HMF Doctrine No.5 states that "The funding of the Foundation's projects shall be self-generated from its own Principal fund, which shall not be withdrawn from, and rather shall remain as perpetual deposit in the world's banking system. (The Founder does not want to destabilize any monetary system in the world). This shall be done through a separate Trust Fund, the "H. MARTIN TRUST", which the Foundation shall organize and shall be the recipient of perpetual funding from the Foundation in the form of endowment, managed in a very harmonious manner, to generate everlasting funding for the Foundation's projects worldwide.") You can read the outline of the H. MARTIN FOUNDATION Far East Humanitarian Services God-given GLOBAL PROGRAM when you click on the LETTERS sent to all our government officials in the H. MARTIN FOUNDATION website: www.hmartinfoundation.org.

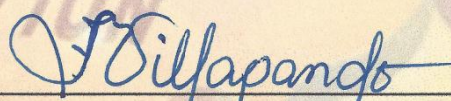

Now, IF THE AMERICAN PEOPLE WANTS TO SAVE AMERICA AND KEEP ITS SOVEREIGNTY, IF THE AMERICAN PEOPLE WANTS TO CONTINUE TO ENJOY THEIR FREEDOM AND LIBERTY AND ALL THOSE RIGHTS THE FOUNDING FATHERS OF THIS GREAT NATION HAS SET FORTH, THEN BRING OUT YOUR VOICE AND CLAMOR OUR GOVERNMENT TO COLLABORATE WITH THE H. MARTIN FOUNDATION Far East Humanitarian Services that has the financial capability to FUND humanitarian programs and projects that will CREATE JOBS GLOBALLY. Please DO THIS IN A PEACEFUL MANNER so there won't be any reason for a declaration of martial law. Remember to stay away from any commotion because the enemy of America can or may orchestrate one. Remember, the concentration camps and mass graveyards are all ready.

Go to the H. MARTIN FOUNDATION website and Petition your Senators and Representatives. Clamor the President to issue the Executive Order that will start-up the establishment of the H. MARTIN FOUNDATION Far East Humanitarian Services USA., with branch offices in your state, county, city and community so that jobs will be created immediately. And lastly, let me tell you, PLEASE PRAY! PLEASE PRAY FOR OUR LEADERS AND FOR THIS GREAT NATION because THERE IS REALLY GOD WHO LOVES US ALL AND WANTS TO BLESS THIS GREAT NATION WE CALL AMERICA.
