Re: **H. MARTIN FOUNDATION Far East Humanitarian Services**

Dear Representative Nancy Pelosi,

Let us save the US Dollar to remain as the world's reserve currency. Please do not move and distribute the funds or the money printed against the assets of Mr. Martin Eddy Hornido Tirwatadinata, because it will destabilize the US economy and hasten the collapse of the US Dollars.

The **H. MARTIN FOUNDATION Far East Humanitarian Services** has the Global Humanitarian Program how it can be utilized without moving the funds from the US banks, and the Government of the United States of America will still be in control of these funds. The **H. MARTIN FOUNDATION Far East Humanitarian Services** also has the Global Banking Program or Investment Infrastructure to fight poverty and other social problems that will revolutionize the global economy and make the US Dollar remain as the world's reserve currency.

I am ready to present the **Strategic Implementation** how this can be done. You can contact me at the above address, c/o Mr. Ave E. Edpao.

Sincerely yours,

Ms. Flor Lat Villapando
