

---UPDATED---

The Proposed
COLLABORATION
By and Between

The proposed COLLABORATION by the **H. MARTIN FOUNDATION Far East Humanitarian Services** (HMF) with the Government of the different countries of the world has a “Paradigm Shift”. Under normal circumstances, the logistics of such consortium would be near impossible. However, through the **H. MARTIN FOUNDATION Far East Humanitarian Services**, the idea of a concerted humanitarian endeavor becomes certitude because of the following, once-in-history, empowering reasons and series of advantages:

- The **H. MARTIN FOUNDATION Far East Humanitarian Services** (HMF) is the world’s largest Foundation with operating and reserve capital of a magnitude that is far greater than most global nations, very much recognized by the US Government and the US Federal Reserve.
- **Abba Martin Eddy Hornido Tirwatadinata** is the Founder, World Chairman, Sole Funder and Sole Signatory of the Funds. He has dedicated his vast financial resources to the idea of uplifting the human condition of the people - for people all over the world to have “Life in its Fullness”.
- **Ms. Flor Lat Villapando** is the Vice World Chairman / Treasurer and Controlling Officer of all generated assets and activities of the **H. MARTIN FOUNDATION Far East Humanitarian Services**, has been extensively groomed by the Founder himself, to represent him at the helm of H. MARTIN FOUNDATION’S global enterprises. **GOD** has given her the over-all Macro-Vision of a GLOBAL HUMANITARIAN PROGRAM and GLOBAL BANKING PROGRAM that will “**REVOLUTIONIZE**” the global economy when implemented. Her endurance, determination and principled leadership brought the Foundation to where it is today, with the participation of many volunteers and selected faithful volunteer leaders.
- The **H. MARTIN FOUNDATION Far East Humanitarian Services** would like to COLLABORATE with the Government of each and every country in the establishment of the H. MARTIN FOUNDATION Far East Humanitarian Services plus (+) the Name of the Country, to become the **RECIPIENT** of the FUNDS (generated interests and profits) that will be used to **FUND** humanitarian programs and projects within the country.
- The **H. MARTIN FOUNDATION Far East Humanitarian Services** has the GLOBAL BANKING PROGRAM - “**INFRASTRUCTURE INVESTMENT**” to **fight poverty and other social problems**. Once implemented in cooperation with each and every Government, will “**REVOLUTIONIZE**” the country’s economy and “**SAVE**” the global economy from total collapse.
- The **H. MARTIN FOUNDATION Far East Humanitarian Services** would like to collaborate with **ASIAN INFRASTRUCTURE INVESTMENT BANK (AIIB)** in the implementation of this **Global Banking Program** using the assets of the H. MARTIN FOUNDATION to generate

the **FUNDS** (interests and profits) that will be used to develop each and every country. (**Strategic Implementation to be presented**).

- The **H. MARTIN FOUNDATION Far East Humanitarian Services** would like to **COLLABORATE** with the BRICS member nations for the purpose of using the **New Development Bank (NDB)** and **Contingency Reserve Arrangement (CRA)** to **CENTRALIZE** the **FUNDS** – “generated interests and profits” of the **H. MARTIN FOUNDATION Far East Humanitarian Services**, which will be used to **DEVELOP** each and every member country. (**Strategic Implementation to be presented**).
- The addition of the **H. MARTIN FOUNDATION Far East Humanitarian Services** as a “**Spiritual Sovereign Nation**” will surely enhance the role of **ASIAN INFRASTRUCTURE INVESTMENT BANK (AIIB)** and **BRICS NEW DEVELOPMENT BANK**.
- The **participation of each and every Government is very important** in this **COLLABORATION** with the **H. MARTIN FOUNDATION Far East Humanitarian Services**, to ensure check and balance in each and every level. The GOD-given “**GLOBAL HUMANITARIAN GOVERNANCE SYSTEM**” is based on **collaboration and participation of each and every Government on an “Even Playing Field of Leadership”** supported by a GOD-given “**HMF CONSTITUTION AND BY-LAWS**” that is **fair and just** to make sure these **FUNDS / blessings** will reach the children and will continue in perpetuity.
- **The FUNDING mechanism is unlike any other (NOT a grant), which is going to be FAIR, JUST, TRANSPARENT and ORDERLY MANNER**, that will trickle down through the **FUNDING** of humanitarian programs and projects of the **H. MARTIN FOUNDATION Far East Humanitarian Services plus (+) the name of the country**. (**Strategic Implementation to be presented**).
- **NO REPAYMENT** for the **FUNDING (to be discussed)** of Humanitarian Programs and Projects to **DEVELOP each and every country** as long as the implementation stays in alignment with the **H. MARTIN FOUNDATION Far East Humanitarian Services’ VISION** and **MISSION**. The **H. MARTIN FOUNDATION** expects a harmonious **PARTICIPATION** and **COOPERATION** from everybody.

The **H. MARTIN FOUNDATION Far East Humanitarian Services** is **NOT** an ordinary Foundation but “**A Worldwide Humanitarian FUNDING Institution**” and the “**Realization of GOD’s Ultimate Program**” here on earth to bring back paradise again (**PARADISE REGAIN when LOVE and COMPASSION prevails**). The **H. MARTIN FOUNDATION Far East Humanitarian Services** is like a “**Mother Foundation**” that will **FUND** humanitarian programs and projects in **COLLABORATION** with each and every Government (National/Federal, State and Local Government) and existing Foundations and Humanitarian Agencies **already licensed to operate**, to **PROVIDE SERVICES** and **CREATE JOBS** for the people and **DEVELOP** each and every country (More like the making of United Arab Emirates, Dubai, etc. and even better).

NOTHING LIKE THIS HAS EVER HAPPENED YET IN THE HISTORY OF THE WORLD WHERE A PRIVATE, NON-PROFIT, FUNDING FOUNDATION WILL COLLABORATE WITH EACH AND EVERY GOVERNMENT OF THE WORLD. SINCE THIS IS A “SPECIAL and UNIQUE SITUATION” AND THERE ARE ONLY TWO REGISTERED PHYSICAL OWNERS OF THE H. MARTIN FOUNDATION Far East Humanitarian Services, EXCEPTIONAL ATTENTION IS REQUIRED FROM THE DIFFERENT GOVERNMENT OF COLLABORATING or PARTICIPATING MEMBER COUNTRIES:

- The **COLLABORATING Country CANNOT** treat the **H. MARTIN FOUNDATION Far East Humanitarian Services** like an ordinary foundation and must “**look outside of the box**”. The **H. MARTIN FOUNDATION Far East Humanitarian Services’ FUNDING WITHOUT REPAYMENT (to be discussed)** of Humanitarian Programs and Projects to **provide services** and **create jobs** will impact the lives of the people tremendously, and the **development of the country** itself will be fantastic.
- **COLLABORATION should start with an Executive Order by the President** (Prime Minister / Chancellor or the Head of the Country) **the desire to COLLABORATE with the H. MARTIN FOUNDATION Far East Humanitarian Services, (the FUNDING entity), to be approved by the country’s Congress / Parliament**.
- **The Government of the Country has to introduce the H. MARTIN FOUNDATION Far East Humanitarian Services to their people** by referring them to the HMF websites: www.hmartinfoundation.ORG (Implementation) and www.hmartinfoundation.COM (History)

Collaborating humanitarian organizations and participants will help develop our web-sites as we go along. Each and every country will have their own **H. MARTIN FOUNDATION Far East Humanitarian Services + (plus the name of the country)** website, to show the progress of projects implemented in each and every city or community and to show the development of the country as a whole.

- The “**INITIAL PRESENTATION**” of “HMF” can be viewed by going to our website: www.hmartinfoundation.ORG and reading the **LETTER: “The Seekers of Truth and Justice and to All Who Fight for What is Right and the Freedom that is OF and FOR America” (to restore the Republic)**. Click on all the 37 LINKS to get the bigger picture.
- **The Government of each and every country should work with their own people, their own laws and regulations, etc., to pave the way for the establishment of the H. MARTIN FOUNDATION Far East Humanitarian Services in their country and implementation of its Programs and Projects in alignment with the Vision and Mission of the H. MARTIN FOUNDATION.** (Provisions to be Presented by both HMF and the Government during the COLLABORATION)
- The **PRESENTATION** of the **H. MARTIN FOUNDATION Far East Humanitarian Services**, its over-all **GLOBAL HUMANITARIAN PROGRAM** and **GLOBAL BANKING PROGRAM** will be done simultaneously **“WHEN THE VOICE OF THE PEOPLE OF THE WORLD PREVAILED.”**
- **EVERYBODY, MUST WATCH ON YouTube: Ben Fulford / David Wilcock on Russian TV: Cabal Defeat is Looming. . . , TO HAVE A BETTER UNDERSTANDING OF THE IMPORTANCE OF HMF AND THE “VOICE OF THE PEOPLE OF THE WORLD”. WE CANNOT ALLOW THE NEGATIVE AGENDA FOR THE EXTINCTION OF OUR WORLD TO COME TO COMPLETION. BRING OUT YOUR VOICES!!!**

The “VOICE OF THE PEOPLE OF THE WORLD” IS VERY IMPORTANT! Clamor for the establishment of the H. MARTIN FOUNDATION Far East Humanitarian Services in your country, in each and every country and clamor for WORLD PEACE.

We, the **H. MARTIN FOUNDATION Far East Humanitarian Services**, are committed to our humanitarian goals. **The setting up of the H. MARTIN FOUNDATION Far East Humanitarian Services in each and every country is a “CLARION CALL” to all the Country Leaders and many other Leaders in position, who desire to be the instruments of changing the negative plans for the destiny of this planet. IF GOD IS FOR US, WHO CAN BE AGAINST US?**

NOTE: The VISION of the **H. MARTIN FOUNDATION Far East Humanitarian Services** is of great magnitude, has a “Spiritual Paradigm” and is very much different from what is normal because the **H. MARTIN FOUNDATION Far East Humanitarian Services** is GOD’s Ultimate Program here on earth. The VISION can be received by anybody who maintains a PURE HEART in his desire to be an instrument in making the GOD-given VISION a reality, and in his involvement with the **H. MARTIN FOUNDATION Far East Humanitarian Services** to materialize the Spiritual Program.
