Your Monthly Update

June 2010

From the Desk of Ms. Flor Lat Villapando, Vice World Chairman, Treasurer & Controlling officer

It's an awesome, exhilarating feeling when you see and experience for yourself how GOD opens up situations, so those who are working on HIS Ultimate Program, the HMF, gets into proper formation.

An unexpected Sunday afternoon invitation to an event led from one situation to another. I envisioned myself many years back talking publicly about HMF to throngs of many people. The Sunday event was just the start of it which made the HMF-ADHOC members realize the need for a "flyer" to give to people to disseminate the information about HMF so the people can petition.

The following working day was a chance for a few HMF-ADHOC members to come together and finish the work at hand. As we were preparing the tables and opening up our lap tops, somebody brought out the news that morning about a family who committed suicide. The father shot his wife and children before ending his own life. A three year old who was shot on the chest was between life and death ordeal when found the next morning. Another interesting news that day was a take-over of a beautiful mansion by a homeless family who broke in and changed the locks. You can feel the desperation in both situations. The above stories led us to make this flyer.

The flyer below illustrates facts of life for common people in this present economy. We all feel the urgency to do something to save lives. Time is of the essence.

My dear friends, we all need to come together. Let's all do our part and get to work to bring awareness to the people that there is HOPE – the H. MARTIN FOUNDATION Far East Humanitarian Services. All they have to do is petition their congressional representatives to help establish the International Main Headquarters of the H. MARTIN FOUNDATION Far East Humanitarian Services here in the United States of America to include branch offices in your state, counties, cities and communities.

For Families: Free Childcare / Before and After School Programs and Scholarships:
